

The Rhythm Within Presents.....

"Jeff has gone to Life Care with The Rhythm Within, and it has been one of his most valuable experiences. Jeff loves interacting with the senior citizens, and it is wonderful to see their eyes light up when they see Jeff coming. Jeff also has grown as he has learned to interact with a group of seniors during their therapy session. I think it is a wonderful win-win program for all involved."

"The relationship that has been built between our residents and the Rhythm Within clients is amazingly unique. No matter how challenged, they find a way to communicate with one another, hold each other accountable, and have a lot of fun! We at Life Care Center of Littleton are especially grateful for all that the Rhythm Within clients have added to the quality of our residents lives."
